

How to Give Online: A Note from our Treasurer

Hi everyone! We have had some questions as to how one can continue giving financially while we are not meeting in-person for the time being.

If you bank with the Diamond North Credit Union, online giving can be done by adding Carrot River Mennonite Church to your list of businesses that you pay online. You will need an account number- this is your donor number for church. If your donor number is a one- or two digit number, you will need to make it a three digit number by adding the appropriate number of zeros in front of your number (ex. donor number 3 would be account number 003; donor number 57 would be account number 057). Insert the amount you wish to pay and complete the transaction as you would any other bill payment.

If you bank with any other financial institution, you can send an etransfer. Etransfers can now be sent to crmctreasurer@sasktel.net.

And lastly, ***cheques can still be issued to Carrot River Mennonite Church.*** They ***can be mailed to the church at Box 567*** or they can be dropped off in my mailbox at the church. Both the post office box and the church mailbox will continue to be checked weekly.

Thank you for your desire to continue giving at this time! If you have any questions feel free to contact me.
