Bible Fun Facts

What is the oldest book in the Old Testament? Many scholars agree that Job is the oldest book in the Bible, written by an unknown Israelite about 1500 B.C. Others hold that the Pentateuch (the first five books of the Bible) are the oldest books in the Bible, written between 1446 and 1406 B.C.

Need Prayer?

Our deacons have organized a small group to pray for requests as needed.

Feel free to submit a request in the box in the foyer.
