VBS Report

by Sarah Derksen

I have only had one congregation member contact me about helping plan VBS this year, leaving us still two committee members short. If we aren't able to fill the two spots then VBS will look different this year; either we will have to switch to a one day event, similar to a day camp, or hire a VBS team from the city to come in for the week.

I would much prefer to organize it ourselves for a weeklong event as we have in the past, but the planning requires a MINIMUM of 5 adult members, in addition to the youth helpers that we recruit.

If we get two more members, we will start meeting at the end of the month to begin planning.
