**March 9th - Lent 1 – Humility**

"Each week of Lent, we extinguish a candle, marking our journey toward the cross. As the light fades, we are reminded of the weight of sin and the depth of Christ's love. Today, we reflect on humility—how Christ challenges our biases and calls us to see others through His eyes. As we watch the flame diminish, may we ask God to shape our hearts in humility. As we extinguish this candle, we remember that without Christ, we walk in darkness. Though the world did not recognize the Light, the darkness will not overcome it."

**Bible Fun Facts**

What is the oldest almost-complete manuscript of the Bible now in existence? The Codex Vaticanus, which dates from the first half of the fourth Century. It is located in the library of the Vatican in Rome. There are older fragments of the Bible that are still preserved however– the oldest being a tiny scrap of the Gospel of John was found in Egypt, dating back to the beginning of the second century. (It is currently in the Rayland’s Library in Manchester, England).
