We acknowledge that it's not a perfect way forward because of this imperfect world that we're living in. In the midst of all the frustration, grief and stress that we are all feeling, we are still looking for ways that we can show the love, care, and concern that has meant so much to so many in the life of our church over the years!

**"We are not able to take a formal offering during our in-person services due to COVID-19 restrictions. If you have brought an offering to the church, please place it in the offering plate by the main bulletin board in the foyer before or after the service. We continue to encourage online giving as it is the most efficient option during this unique season."**

This year at Vacation Bible School (VBS), the Clubs committee had planned to organize a collection for the MCC's Education Initiatives. Due to COVID 19, the program was unable to run. Knowing that this year especially there were still many children around the world in need, Clubs decided to send out a collection craft project in the VBS in Bags that were distributed. As we face changes in our current school year, please pray for the children in developing countries who face educational challenges that exceed our own.

The MCC's Education Programs works alongside communities to:

- Increase access to education for children facing hardships
- Improves the quality of education that teachers receive
- Supports vocational training to help youth find work close to home
- Promotes clubs that help develop young people's full potential as leaders

Today we welcome the children who collected funds for the MCC's Education Initiatives to place their collection at the back of the church in the collection plates. Please mark that your funds are for the 'MCC Education Initiatives'. If you didn't bring your collection houses today, we welcome you to donate your collected funds online at <https://mcccanada.ca/learn/what/education>
